

Family Fun Weekend Schedule

Welcome to the Family Fun Weekend!

We are excited to have a diverse group of families. We ask that if you know some sign language, please sign, so that our Deaf children and Deaf adults can have a welcoming and accessible environment. If you do not know sign or are learning American Sign Language, just do your best to be inclusive of all our Deaf participants. We have ASL and Spanish interpreters available. We also have staff and parents who are willing to help interpret conversations. This is a great place to learn and practice your ASL. Try. Just ask. Be inclusive. Have fun!
