American Sign Language storytellers bring books to life

For Parents and older siblings:

- ◆ Parents and older children can observe storytellers to enhance their own storytelling techniques
- ◆ Parents who bring their children to the bookstore indicate their own interest in books; that in itself will promote their children's interest in reading
- ◆ Barnes & Noble is surrounded by restaurants, Starbucks coffee shop and an ice cream parlor. This is an affair for the entire family!

Benefits for your children include:

- ◆ increased interest in reading
- ◆ greater academic success
- ◆ improved listening/attention skills
- ◆ stretched imagination
- ◆ exposure to good literature which they might not be able to read on their own
